

Asian Educators Alliance Conference STUDENT REGISTRATION FORM

ASEA STUDENT CONDUCT AGREEMENT

ASEA registration is completely online. For each ASEA participant, a Student Conduct Agreement with all required signatures must be uploaded at the time of registration. Without these forms, the registration process will not be completed.

AGREEMENT

ASEA facilitators are pleased that you will attend this year's conference. You and other students from across the country will take an active role in exploring issues of diversity within the Asian American identity and experience. We will take a critical look at ourselves, others, and society at large. We will empower you to develop your own action plans for your school. The skill-building, networking, and exploring of ideas will enable you to develop strategies for creating dialogue in your own school and community.

Our goal is to create social justice for and by everyone. We expect that you will take this unique opportunity seriously. These basic rules, designed by SDLC students, provide a safe environment and promote optimum participation in ASEA:

1. Students are expected to abide by the nightly curfew and to remain in their assigned rooms. The curfew is 11:00 PM.
2. Students may meet socially in public areas only. Out of respect and safety, students are not allowed in hotel rooms other than their own. Physical intimacy is strictly prohibited at all times during the conference.
3. The use of alcohol, tobacco, and drugs is strictly prohibited.
4. Cell phones, pagers, and other electronic devices are to be turned off during all conference sessions.
5. Students should anticipate their medical needs and carry medication, sanitary needs, cough drops, etc. at all times since students will not be allowed to leave the ASEA area to retrieve or purchase these items.
6. Students must attend all conference sessions, meals, and activities. Punctuality is required.
7. During all conference sessions, ASEA faculty must be informed of the whereabouts of each student participant at all times. Upon dismissal, students are responsible to their chaperones.
8. Respect for the views of peers and the guidance of conference faculty and facilitators is expected.
9. Adherence to community norms and the safeguarding of a sense of community is expected and will enhance conference participation for all.
10. Students and adults who are not registered for ASEA may not attend any events and may not socialize at the conference site.

As representatives of your school, we expect you to work hard, have fun, and dress and act responsibly. Your school and ASEA have placed a great deal of faith in you and feel that you can not only handle the responsibility but will excel individually and collectively. By signing below, you agree to follow these conference rules and understand that violating any of them will result in expulsion from the conference. In the unfortunate event of a student's expulsion from this conference, the student's parents are responsible for any additional travel expenses. The student's school is responsible for completing disciplinary action.

NOTE: It is the responsibility of the individual registering your school's students to ensure the necessary forms are ENTIRELY complete. Each field, including students' names as identified on official school records, should be completed. Once uploaded, each form will be thoroughly reviewed. Any students whose forms are incomplete will not be registered. Forms can be resubmitted, but student eligibility to attend will be subject to availability and is not guaranteed. Please review each form completely to ensure accuracy before uploading. It is our goal to partner with you to successfully register your ASEA delegation, and to ensure the safety and well-being of each student who attends the conference. Please provide us with the information that will allow us to do so, and to help your students have the best possible experience at ASEA.
